LOCATEDISCOUNT VENDOR CONTENT, DEAL ACCURACY, VOUCHER REDEMPTION AND PLATFORM PROTECTION POLICY

Effective Date: 15 October 2026

This policy forms part of the LocateDiscount Vendor Terms and Conditions. All vendors must read and accept these terms before submitting a deal for publication on LocateDiscount.

1. Vendor Responsibility for Images, Videos and Other Content

Vendors are solely responsible for all images, photographs, videos, descriptions, logos, promotional materials and other content they upload, submit or publish on LocateDiscount.

By uploading or submitting any content, the vendor represents and warrants that:

- They own the content or have obtained all necessary permissions, licences and authorisations to use it for commercial advertising and promotion.
- Where images or videos feature previous customers, clients, employees or other identifiable individuals, they have obtained any consent required for the intended use and publication of that content.
- Any images obtained from the internet, social media, photographers, other businesses or third parties are used with the necessary rights and permissions.
- The content does not infringe any copyright, trademark, privacy, publicity, image or other rights belonging to another person or organisation.
- The content accurately represents the vendor's business, products, services and the actual deal being advertised.

Vendors must not upload images of other businesses, customers or service providers in a way that falsely suggests that the images depict their own work, premises, products, services or previous customers.

Where illustrative or stock images are used, vendors must have the necessary rights to use them and must clearly disclose when an image is illustrative rather than a genuine representation of the specific product or service offered.

LocateDiscount may request evidence of ownership, permission or licensing and may reject, remove or suspend any content where a rights violation, misleading representation or other policy breach is suspected.

2. Accuracy and Fulfilment of Deals

Vendors are solely responsible for ensuring that all deals published on LocateDiscount are genuine, accurate, available and capable of being honoured as advertised.

Each deal must clearly disclose all material conditions, including, where applicable:

- The exact product or service being offered.
- The discounted price and any applicable additional charges.

- What is included and excluded from the offer.
- Validity periods, booking requirements, appointment availability and redemption conditions.
- Any customer responsibilities, such as providing hair extensions or other materials not included in a service.
- Any material limitations, exclusions or restrictions that could affect a customer's decision to purchase or redeem the deal.

Vendors must not advertise unavailable services, use misleading photographs, conceal material exclusions, impose undisclosed charges or make claims that are false, deceptive or likely to mislead customers.

Any material change to a published deal must be communicated to LocateDiscount and, where required, approved before the deal is updated or continued.

3. Voucher Redemption and Customer Treatment

Vendors must honour valid vouchers presented in accordance with the published deal conditions. Vendors must not collect payment from a customer for a deal and subsequently refuse to provide the advertised product or service without a valid and lawful reason.

Vendors must not falsely mark vouchers as redeemed, refuse valid redemptions to avoid their obligations to LocateDiscount, impose undisclosed conditions, or otherwise frustrate a customer's legitimate use of a voucher.

Where a vendor collects payment from a customer, whether directly or through an authorised payment arrangement, the vendor remains responsible for providing the agreed product or service, subject to applicable law and the disclosed deal conditions.

If a vendor cannot honour a valid voucher, the vendor must promptly inform the customer and LocateDiscount, explain the circumstances and cooperate in resolving the matter, including any refund or other remedy required by law or the applicable transaction terms.

4. Failure to Honour Vouchers and Avoidance of Platform Fees

LocateDiscount connects vendors with potential customers and provides a platform through which vendors can promote deals and attract business. Vendors agree to honour the applicable platform fee arrangements for qualifying voucher redemptions as agreed with LocateDiscount.

Where a vendor collects money from a customer for a deal but subsequently refuses or fails to honour a valid voucher without a legitimate reason, and this prevents LocateDiscount from receiving its agreed fee for bringing that customer to the vendor, LocateDiscount reserves the right to:

- Immediately suspend or remove the affected deal or deals from the platform.
- Suspend the vendor's ability to publish new deals while the matter is investigated.
- Remove all active deals belonging to the vendor where the breach is serious, repeated or deliberate.

- Suspend or terminate the vendor's account in cases of fraud, repeated non-redemption, deliberate customer deception or intentional circumvention of the platform's fee arrangements.
- Require the vendor to provide an explanation, relevant transaction records and evidence of the outcome of the customer transaction.
- Recover any outstanding platform fees or other amounts properly due under the agreed vendor fee arrangements, subject to the applicable terms and law.

Where evidence establishes that a vendor deliberately refuses redemption, misrepresents a transaction or otherwise acts to prevent LocateDiscount from receiving an agreed fee, LocateDiscount may take appropriate enforcement action in accordance with these terms.

Removal of a deal or suspension of an account does not eliminate any outstanding contractual obligations or prevent LocateDiscount from pursuing any lawful remedy available to it.

LocateDiscount may also restrict a vendor's access to the platform where repeated complaints, suspicious redemption patterns or other credible evidence indicate a risk to customers or the integrity of the platform.

5. Vendor Indemnity and Responsibility for Claims

To the extent permitted by applicable law, the vendor agrees to indemnify and hold harmless LocateDiscount, its owners, operators, employees and authorised representatives against third-party claims, losses, damages, liabilities, costs and reasonable legal expenses arising from or relating to:

- Content, photographs, videos or other materials uploaded or supplied by the vendor, including allegations of copyright infringement, unauthorised use of images, privacy violations or misuse of another person's likeness.
- False, misleading or inaccurate deal descriptions, promotional claims, pricing or representations made by the vendor.
- The vendor's failure to provide an advertised product or service or honour a valid voucher.
- The vendor's collection of customer payments, failure to deliver an agreed service, or failure to provide a refund or other remedy where legally required.
- The vendor's breach of these terms, violation of applicable law, fraud, negligence or wilful misconduct.

This provision applies only to the extent that the relevant claim or loss is attributable to the vendor's conduct, content, omissions or breach. It does not exclude liability that cannot lawfully be excluded or transfer to the vendor any liability arising from LocateDiscount's own acts or omissions where applicable law prohibits such an allocation.

6. LocateDiscount's Role and Limitation of Responsibility

LocateDiscount provides a platform for vendors to advertise deals and for customers to discover offers and obtain vouchers for redemption at participating businesses.

Unless expressly stated otherwise in a separate agreement, LocateDiscount does not create, own, manufacture or independently guarantee the products or services advertised by vendors. Vendors remain responsible for the accuracy of their listings, the quality and safety of their products and services, their customer interactions, their legal obligations and the fulfilment of their offers.

LocateDiscount may review, moderate, reject, restrict, suspend or remove vendor content or deals where it reasonably considers this necessary to enforce its policies, protect users, respond to complaints, comply with legal obligations or maintain the integrity of the platform.

Although LocateDiscount may conduct reviews or take action on reported concerns, it does not guarantee that every image, claim, transaction or vendor representation has been independently verified. Publication of a deal must not be interpreted as a guarantee, certification or endorsement of every claim made by the vendor.

Nothing in these terms excludes or limits any duty, responsibility or liability that cannot lawfully be excluded or limited under applicable law, including any applicable consumer-protection or data-protection obligations.

7. Complaints, Investigations and Enforcement

LocateDiscount may investigate reports of misleading content, unauthorised images, unhonoured vouchers, customer disputes, suspicious transactions or fee avoidance.

Vendors must cooperate reasonably with such investigations and provide relevant information or evidence when requested.

Depending on the seriousness, frequency and circumstances of a breach, LocateDiscount may issue a warning, request corrections, reject or remove a deal, suspend publishing privileges, temporarily suspend an account or terminate the vendor's access to the platform.

Where appropriate, LocateDiscount may preserve relevant records, refer matters to the appropriate authorities or pursue lawful remedies.

8. Vendor Acknowledgement and Agreement

By accepting these terms and submitting a deal to LocateDiscount, the vendor confirms that they have read and understood this policy and agree to comply with it.

The vendor acknowledges that they are responsible for ensuring that their content is lawful and properly authorised, that their deals are accurately represented, and that valid vouchers are honoured in accordance with the published conditions and applicable law.

The vendor further acknowledges that breaches may result in the removal of individual deals, removal of all active deals, suspension or termination of the vendor account, and recovery of outstanding amounts properly due under the applicable agreements.

These terms supplement the other LocateDiscount Vendor Terms and Conditions and Privacy Notice. Where a provision conflicts with mandatory applicable law, that law will prevail.
